

Please help us help you

The coronavirus (COVID-19) situation is evolving. The health and safety of our employees and customers remains our top priority.

Our employees are working hard to serve Canadians.
You can help:

- Practice good social distancing – keep at least two metres between yourself and others, including our employees
- If the building is crowded, please wait outside until there's more room inside
- Please respect our employees – they're working hard to serve you as quickly as possible

These are challenging times. By treating each other with respect and concern, we are all better off.

Thank you for your cooperation.
